March 22, 2022 - California - Time for Change Foundation (TFCF) will be celebrating its 20th Anniversary “Once Upon a Time” Star Studded Awards Gala on April 28th, 2022, at 6pm PST. Since 2002, Time for Change Foundation has continued to live out its mission of empowering the disenfranchised and creating thriving communities. TFCF started with humble beginnings and is currently operating 18 locations throughout the state of California.

Since its inception, TFCF has helped over 2,600 women reach self-sufficiency and has reunited 311 children from foster care with their mothers.

“Stable housing is the most essential component of family reunification-- children need their mothers. As we provide them with that one missing piece, we are giving kids their moms back!” --Vanessa Perez, Director of Time for Change Foundation.

Time for Change Foundation lifts women and children out of poverty by being innovative and delivering cutting edge services. The focus is to create self-sufficiency by elevating economic opportunities that work for our population.

The 20th Anniversary “Once Upon a Time” Awards Gala will highlight the successes of the women that have emerged from homelessness, addiction, domestic violence, and incarceration and have become thriving mothers and community members.
