## Time for Change Foundation - March 15, 2025

The City of San Bernardino is proud to celebrate the grand opening of Time for Change Foundation's newest Emergency Women's Shelter.

Founded in 2002 by Kim Carter, Time for Change Foundation has been a pillar of hope, providing housing and resources to women and children on their journey to stability. This marks their fourth shelter, furthering their mission to create brighter futures.

We were honored to join Councilwoman Treasure Ortiz and Mayor Tran in celebrating this milestone. A special thank you to Executive Director Vanessa Perez for organizing such a meaningful event.

Congratulations to Time for Change Foundation and welcome to our strong and dedicated community!
